Chatsworth walk - Sunday 18th July

Thank you to those who participated in our walk around the Chatsworth estate on the 18th July. Coronary society members and their friends and family enjoyed a leisurely stroll in the beautiful countryside surrounding the house, as well as a deserved tea break! Although the clouds were looking ominous at the onset of the walk, a short rain shower did not dampen spirits or the chatter as we ambled across the 3 mile flat route. We hope to organise more social events in the future so it would be great to see you all there.
